Eighth Duke-UNC Asset Pricing Finance Conference

Durham, North Carolina
March 29-30, 2024

Duke University and The University of North Carolina are organizing an Asset Pricing Conference designed to bring together leading scholars in the field. The conference will be held in Durham on Friday/Saturday, March 29/30, 2024, and is jointly sponsored by Duke University's Fuqua School of Business and the Center for Excellence in Investment Management at the University of North Carolina's Kenan-Flagler Business School. A keynote address will be given by Pete Kyle of the University of Maryland.

PAPER SELECTION PROCESS

Papers in all areas of asset pricing and macro-finance are invited. Papers should be well developed, but at a stage where they can still benefit from the group's discussion. Preference will be given to recent papers that have not previously been presented at major conferences.

PAPER SUBMISSION PROCEDURE

Please submit an electronic version of the paper (PDF format) no later than November 18, 2023, through the conference website:
